

3400 Series: Heavy-Duty Aluminum Step

CSA Approved Grade 1
 ANSI Type 1 – 250 lb rated

- High strength to weight ratio provides an economical alternative for general contractor work.
- 3" slip-resistant, serrated steps and side rails.
- Super tough, molded copolymer top.
- Heavy-duty hinged pail tray.
- Steel spreader arms.
- Heavy duty rubber safety shoes.

Duty Ratings

Featherlite ladders are stringently tested to conform, where applicable, to the requirements of the Canadian Standards Association (CSA), the American National Standards Institute (ANSI), and the Occupational Health and Safety Act (OSHA).

Currently, the maximum CSA rating is Grade 1: 250 lb; however, ANSI encompasses two additional ratings: Type 1A: 300 lb, and Type 1AA: 375 lb.

Duty Rating	Rated Use	CSA Code	ANSI Code
200 lb	Light duty, household	Grade 3	Type III
225 lb	Medium duty, commercial	Grade 2	Type II
250 lb	Heavy duty, industrial	Grade 1	Type 1
300 lb	Extra-heavy duty, industrial	N/A	Type 1A
375 lb	Super-heavy duty, industrial	N/A	Type 1AA

4200D and 4360 Series: Extra Heavy-Duty Aluminum Straight Extension

CSA Approved Grade 1

ANSI Type 1A – 300 lb rated

- Rigid "Box Section" side rails, unequalled in strength and durability.
- Side rails for 4200 D series up to 28' in length measure 2 7/8" x 7/8". For all others, side rails measure 3.25" x 1".
- Side-mounted rope pulley and slide guide system keeps rope clear of climber's feet and allows effortless raising and lowering of the fly section.
- Yellow ABS, high impact, non-marring end caps.
- Heavy-duty, zinc, die-cast rung locks.
- Slip-resistant serrated aluminum rungs.
- Cross-ribbed, rubber, swivel feet with ice pick.

LADDERS

10-12

6900 Series: Extra Heavy-Duty Fibreglass Step

CSA Approved Grade 1
ANSI Type 1A – 300 lb rated

- Durable, non-conductive, "C" channel side rails in high visibility, safety yellow.
- Widened flare for greater stability.
- Slip-resistant, serrated aluminum steps.
- Super-tough molded copolymer top.
- Inside spreader arms complete with "wrap-around" brackets to strengthen spreader-to-rail connection.
- Heavy duty rubber safety shoes.
